Course overview

The course provides knowledge and practical skills related to empowering leadership and visionary leadership.

Course content

Empowering leadership and visionary leadership are the most effective leadership styles for influencing and motivating people. They are also typically the most difficult to practice. This course is about providing both a deeper understanding and practical skills in using these leadership styles. It will show the advantages of these leadership styles over other leadership approaches and how they can be applied in very specific situations.

Dates

November 11 - 15, 2023 (on-site in Berlin).
